**WHOLESALE CATALOGUE**

SPRING 2024

**“We don’t stop playing because we grow old,  
we grow old because we stop playing.”**

# Hello,

I’m Lisa Bamford, and I work under the name of Stoats & Weasels from my studio in Brighton. The above quote is my motto for life, and I’m happy confirm that my inner child is very much alive!

I produce playful and colourful greeting cards and art prints. The aim of my designs are to make you titter, offer words of motivation, and occasionally show your great big softie side. Oh and some are a teeny bit rude, sorry Mum!

Thank you for checking out my catalogue.

Lisa
